Definitions

SFEDI Awards define Sanctions as a punitive action that can be applied to approved centre that do not meet with SFEDI Awards policies, procedures or guidance that may pose a risk to the integrity of the awarding organisation, Sanctions can be applied against a centre, staff, learner or any third party.

Centre Responsibilities

All approved centres will be treated fairly, and the policy applied consistently.

If an EQA has determined that an approved centre may need some extra assistance, they will identify actions that need to be completed and try and work with the approved centre to try and prevent any sanctions being imposed on the centres.

If an approved centre does not complete the actions that have been outlined, then a sanction may be imposed.
